

Superior Consultation - Draft Work Zone Compliance Package

Package ID: a29e20039c7443d6870b9455e410ed12

Instruction:

Create a structured JSON compliance package draft for a Virginia road crew.

Return valid JSON only. No markdown. No explanation outside JSON.

Use this exact top-level schema:

```
{
  "job_summary": {
    "location": "",
    "work_type": "",
    "work_zone_type": "",
    "road_type": "",
    "speed_limit": "",
    "time_of_day": "",
    "risk_level": "",
    "missing_information": []
  },
  "forms_to_consider": [],
  "liability_and_safety_forms": [],
  "foreman_checklist": [],
  "crew_lead_checklist": [],
  "equipment_checklist": [],
  "setup_sequence": [],
  "inspection_and_closeout": [],
  "regulatory_review_items": [],
  "diagram_spec": {
    "diagram_type": "",
    "base_visual": "",
    "overlays": [],
    "notes": []
  },
  "image_generation_prompt": "",
  "email_summary": "",
  "human_review_notice": ""
}
```

Rules:

- Do not invent exact legal citations.
- Flag items requiring supervisor, engineer, VDOT, or DOT review.
- Every checklist item must be unique.
- The image_generation_prompt must describe an annotated visual aid with signs, cones, flaggers, buffer, work area, and notations.
- The human_review_notice must state this is a draft planning aid requiring qualified review.

Location:

```
{'address': 'Roanoke, VA', 'state': 'VA', 'zip_code': '24011', 'latitude': None, 'longitude': None}
```

Work details:

```
{'work_type': 'utility shoulder work', 'work_zone_type': 'shoulder closure', 'road_type': 'two-way road', 'speed_limit': '45 mph', 'time_of_day': 'day', 'duration': 'single-day', 'lane_count': 2, 'shoulder_present': True, 'traffic_volume': 'moderate'}
```

Site conditions:

```
{'curves': False, 'hills': True, 'intersections': True, 'pedestrians': False, 'school_zone': False, 'weather_notes': 'clear'}
```

User notes:

Generate and save a customer-ready package with PDF, image, manifest, and email draft.

JSON:

```
"location": {  
  "address": "Roanoke, VA",  
  "state": "VA",  
  "zip_code": "24011",  
  "latitude": None,  
  "longitude": None  
  "work_type": "utility shoulder work",  
  "work_zone_type": "shoulder closure",  
  "road_type": "two-way road",  
  "speed_limit": "45 mph",  
  "time_of_day": "day",
